EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are made under section 10(1), (2) and (4) (interim targets) and section 30 (regulations and orders: general) of the Climate Change Act 2021 in accordance with the target setting criteria set out in section 11 (target setting criteria) and the consultation requirements set out in section 35 (consultation) of that Act.

If approved by Tynwald these Regulations come into effect on 1 April 2022.

These Regulations require the Council of Ministers to ensure that the net Isle of Man emissions account for the year 2030 is at least 45% lower than the baseline, as defined in section 5 of the Climate Change Act 2021. Section 5 sets the baseline as the aggregate amount of the net Isle of Man emissions of carbon dioxide and the greenhouse gases listed in section 5(2) for 2018.
